AMENDMENT UNDER 37 C.F.R. § 1.116

Assistant Commissioner for Patents
Box AF
Washington, DC 20231

S I R :

Responsive to the Official Action dated July 30, 2001, please
amend the above-identified application as follows:

CLAIMS:

Please replace claims 4 and 13 with the following amended claims:

1 4. (Twice Amended) An optical display apparatus, comprising
2 a hologram device and a light source, wherein the hologram is a reflection-type
3 hologram formed by:
4
5 light having information of an object; and
6
7 reference light having an incident optical path different from that of
8 the light having the information of the object, wherein
9
10 a reconstructed image of the object is displayed by light from the
11 light source, and wherein
12
13 the light having the information of the object is reconstructed light
14 obtained by reconstructing a transmission-type hologram which is formed by:
15 object light obtained by irradiating the object which is positioned between a slit
